Mondays Step into the Magic!

Join us for a spellbinding crafting adventure where creativity meets the world of Harry Potter! Young witches and wizards will create magical masterpieces—from wands and house crests to enchanted creatures and more. With imagination as their guide, the children will bring the wizarding world to life through art. All finished creations will be proudly displayed on our very own "Hogwarts Wall of Magic" for everyone to see!

Tuesdays Multi Sports

Enjoy playing a mix of sport in a fun yet competitive afternoon. If you score enough points, you may be our ultimate winner.

Wednesdays Mastermind

Lets enjoy an afternoon of using our master minds! Math's, spelling, riddles, or even becoming a detective. Join us and show us your mastermind!

Thursdays Y- Archery

Get ready to take your best shot in our exciting indoor archery experience! Children will learn the basics of archery in a safe and fun environment, building focus, coordination, and confidence as they take aim at the target. Whether you're a first-time archer or a budding bowmaster, it's all about having fun and hitting the bullseye!

Fridays Science

Get ready for a term full of hands on learning and discovery. Each week we will explore new STEM activities. Each week will be about learning something new within the realm of Science, Technology, Engineering or Mathematics!

active

Energetic games designed to support fundamental movement, teamwork and being on the move in a supportive environment.

A range of activities which encourage self expression and to explore new mediums and techniques.

CREATE

Preparing our tamariki with diverse skills to navigate their way through their development and their experiences.
