Mondays Masterpiece

Unleash your child's creativity in our fun and inspiring art programme! Kids will explore drawing, painting, and crafting while building confidence and expressing themselves through art.

Tuesdays Tunes & Traditions

Let the rhythm take over! In this fun-filled music module, kids will explore sounds, instruments, and songs from around the world while learning about beat, melody, and movement. A great way to build confidence, creativity, and a love for music—no experience needed!

Wednesdays Mind Craft

Get curious and hands-on with our exciting STEM programme! Kids will dive into fun activities that explore science, technology, engineering, and maths through experiments, building challenges, and creative problem-solving. Perfect for young thinkers and future inventors!

Thursdays Thrive & Strive

Get active with sports, fitness games, yoga, football, and all kinds of ball games—great for coordination, teamwork, and letting off steam. Perfect for all skill levels—just bring energy and a smile!

Fridays Funfinity

It's time to play your way! Our Funfinity Friday gives kids the freedom to explore, create, and connect through games, toys, and imaginative activities. With plenty of choices and space to move! Spontaneous fun to wrap up the week!

Energetic games designed to support fundamental movement, teamwork and being on the move in a supportive environment.

A range of activities which encourage self expression and to explore new mediums and techniques.

Preparing our tamariki with diverse skills to navigate their way through their development and their experiences.
