

Y-Kids Cashmere

Afterschool Programme Term 2, 2026

Mondays

Once upon a time

Children will explore themes from traditional and contemporary stories through creative expression, active play, and lifestyle skills. Come create, cook, and conjure up some magic in Once Upon a Time! There will be a mixture of hands on creating and artwork stretching the bounds of their imagination

Tuesdays

Quiz master

Welcome to the ultimate brain-boosting adventure! Kids will journey through fascinating facts, silly surprises, and clever challenges designed to stretch their minds and spark curiosity. Every round brings new discoveries and plenty of giggles along the way. Who will be our Quiz Master?!

Wednesdays

Y Craft Zone

In each session, children will build fine motor skills through cutting, gluing, painting, and building, while boosting creativity, problem-solving, and teamwork. Crafts will teach us patience, resilience, and pride in completing projects.

Thursdays

Skills for success

This term we will be empowering our young people by teaching them some essential life skills. From sewing and gardening, our programme offers a wide range of skill building opportunities. Our hands on activities will boost your child's confidence, foster independence and prepare them for real world, everyday experiences. Join us for a term of growth and discovery and watch your child develop important skills that they can take with them throughout their life.

Fridays

The Game Show

We will be running lively group games/Challenges that bring plenty of laughter, fun, and excitement to every session. Each week, we will offer our kids something fresh to look forward to, with a mix of playful classics and new favourites that keep the energy alive. From running and chasing to silly group challenges and games that get everyone moving, the sessions are designed to keep spirits high and smiles wide. Our kids will play together, cheer each other on, and share in the joy of friendly games within a safe and supportive space.

Energetic games designed to support fundamental movement, teamwork and being on the move in a supportive environment.

A range of activities which encourage self expression and to explore new mediums and techniques.

Preparing our tamariki with diverse skills to navigate their way through their development and their experiences.
