

# WHAT IS Y A R A M A I YOUTH HOLIDAY PROGRAMME ?

The name 'Ara Mai' represents a pathway forward - a journey of **growth, discovery, and opportunities** for taiohi (young people). The programme is designed to give young people the chance to **explore new experiences, discover their strengths, and build confidence** in who they are and what they can achieve.

Through **creative activities, community projects, and shared experiences**, young people are supported to step outside their comfort zone, connect with others, and develop **practical skills** in a **safe and encouraging environment**.
