Tuesdays Minute to Win It

Minute to Win It brings students together through short, creative challenges that anyone can try. With just 60 seconds on the clock, tamariki work individually and in teams to complete fun tasks using simple materials. The focus is on participation, encouragement, and celebrating effort. This module helps build friendships, boost self-esteem, and create a lively, inclusive after-school atmosphere.

Wednesdays Game Time

Game time is an after-school adventure where kids discover a brand-new game every week. From Danish Rounders to Minefield, Eagle Eye, Smugglers and Spies, and plenty more, each session gets them moving, thinking, collaborating, and laughing together. It's the perfect mix of active fun, teamwork, and learning through play.

Thursdays Carnival Day!

Through fun carnival-inspired games and crafts, young people will learn how to work as a team, encourage each other, try their best and be creative. This module is all about giving things a go and cheering others on!
