JOHNSONVILLE • TERM 3, 2025 •

Mondays Enchanted Forest

Each week, we'll journey through the enchanted forest, where fairies flutter, dragons soar, and adventure awaits around every corner. Whether you're building a fairy house, mixing sparkling potions, or designing your very own fantasy map, each session is sure to spark creativity and wonder in all of us

Tuesdays Kidz & K9's

This term we are getting a visit from the team at Kidz & K9's where they will teach us how to be safe around dogs by understanding how they think, act and communicate. Through interactive and hands on lessons - that means we might get to meet some dogs! - we will explore the right way to approach and respond to our furry friends. **If your child is scared of dogs please let us know in advance so when the dogs do visit, we can take extra care.**

Wednesdays The Curious Minds Lab

Get ready for a term full of hands on learning and discovery. Each week we will explore new STEM activities from making our own lava lamps, to hovercrafts and salt crystals. Each week will be about learning something new within the realm of Science, Technology, Engineering or Mathematics!

Thursdays Around the World

We are off on another trip around the world! Each week we will explore a new country through film, food and creative activities. From the Pyramids of Egypt to eating Churros in Spain, it is sure to be an experience that everyone will love. Make sure that passport is up to date, and those bags are packed as we explore the world we live in!

Fridays Freedom Friday

It's time to let loose and enjoy an afternoon of exciting activities for Friday Freedom. Whether you want to get crafty, play games, or chill out, you have the freedom to do so! Friday is the chance to unwind and celebrate the end of the week in style

Energetic games designed to support fundamental movement, teamwork and being on the move in a supportive environment.

A range of activities which encourage self expression and to explore new mediums and techniques.

Preparing our tamariki with diverse skills to navigate their way through their development and their experiences.
