Mondays Robots

In this hands-on module, kids will programme real robots to complete fun challenges and navigate obstacle courses. Perfect for curious minds and future inventors!

Tuesdays Football Frenzy

Get ready to kick, run, and score in this high-energy after-school football module! Kids will build skills, learn teamwork, and have a blast through fun drills and mini games—perfect for all levels!

Wednesdays Y-Kai

Kids will explore the fun of cooking with easy, hands-on recipes. From sweet treats to healthy snacks, they'll learn kitchen skills, and enjoy creating (and eating!) their own delicious dishes!

Thursdays Mystery Bag Challenge

Get ready for surprise-filled fun! Each Thursday, kids will receive a new mystery bag filled with unusual items. Their mission? Use teamwork, imagination, and problem-solving to complete wild and wacky challenges!

Fridays Mad Science and Messy Art

This exciting after-school module blends creativity and discovery! Kids will dive into fun science experiments and crafty projects each week—making slime, erupting volcanoes, colourful art, and more.

Energetic games designed to support fundamental movement, teamwork and being on the move in a supportive environment.

A range of activities which encourage self expression and to explore new mediums and techniques.

Preparing our tamariki with diverse skills to navigate their way through their development and their experiences.
