

# Y-Kids Trentham

## Afterschool Programme Term 2, 2026

### Mondays

#### Y Craft Zone

In each session, children will build fine motor skills through cutting, gluing, painting, and building, while boosting creativity, problem-solving, and teamwork. Crafts will teach us patience, resilience, and pride in completing projects.

### Tuesdays

#### Once Upon a Game

Tamariki will enjoy classic and new board games that build cooperation, patience, and thinking skills, followed by storytime that encourages imagination and reading confidence. A lovely routine for developing minds.

### Wednesdays

#### Island Breeze & Kiwi Seas

Voyage through Aotearoa and the Pacific Islands with us as we learn about where we live, where we come from, and the cultures around us. Tamariki will enjoy yummy food, fun activities, and creative ways to celebrate the different traditions we share as a community.

### Thursdays

#### Skills for Success

This term we will be empowering our young people by teaching them some essential life skills. From sewing and gardening, our programme offers a wide range of skill building opportunities. Our hands on activities will boost your child's confidence, foster independence and prepare them for real world, everyday experiences. Join us for a term of growth and discovery and watch your child develop skills that they can take with them throughout their life.

### Fridays

#### Friday Freak Out

Join us this Friday for a cosy autumn afternoon full of creativity and play! Alongside our usual games, crafts, and outdoor fun, we'll also have dress-ups, face painting, a talent show, baking, and bracelet making. It's the perfect way for tamariki to unwind, explore their talents, and kick off the weekend in style!

Energetic games designed to support fundamental movement, teamwork and being on the move in a supportive environment.

A range of activities which encourage self expression and to explore new mediums and techniques.

Preparing our tamariki with diverse skills to navigate their way through their development and their experiences.
