IMPORTANT INFORMATION

Classes will be programmed on the days listed once entries have closed.

When entering Horses in Action classes, please be aware that due to the complicated nature of programming, there are likely to be clashes between some classes.

We are aware of these and every endeavour will be made to minimise them, where possible.

However, due to as many as four rings being run at the same time, it is not possible to eliminate all clashes. Therefore, where these occur, the exhibitor may have to make a choice between one class and the other.
