

MARKETNOW

With pay later options, we make it easy to invest in the right campaign

It's not everyday you sell, so when you do, give it your all and do it right!

Every property deserves to be seen and sold in the best possible light - and marketing costs should never get in the way. That's why when it's time to sell, we have a pay later solution for up to \$25,000.

With MarketNow you get

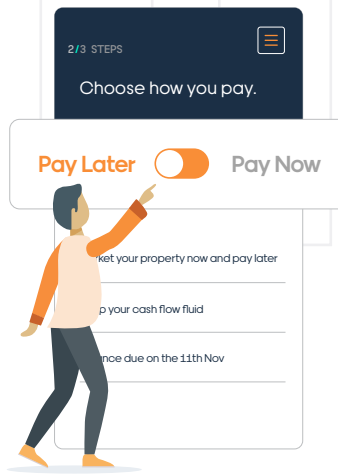

- Access up to \$25k for marketing, styling and even minor improvements.
- Invest in the right campaign to ensure your property stands out from the crowd.
- Flexibility to manage your money how you want, don't let the cost get in the way – pay now or later.
- No credit check – a simple and fast online approval process.

How does it work?

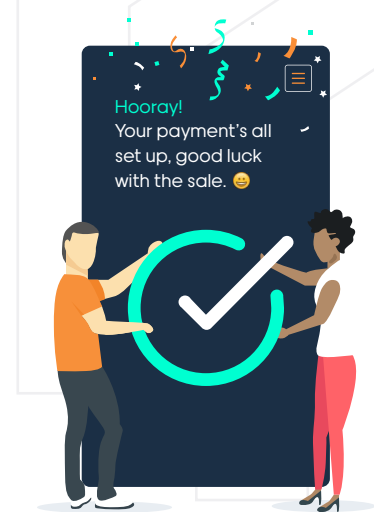

one

Your agent will send you a payment request

two

Choose how you want to pay - now, or later

three

Your agent can get started with the campaign, you pay later

We'll keep in touch and remind you when your payment is due

Marketing costs plus
5.5% due at the Pay Later Date

What is MarketNow?

MarketNow Payments Pty Ltd is a Joint Venture between Domain Holdings Australia Limited and Limepay Pty Ltd. Domain brings expertise in the real estate segment and a depth of understanding to build the right tools for our real estate partner. Limepay is an innovative fintech operating in the payment space. Together we are bringing best in class payment solutions to the real estate segment.
