

Canson Infinity® Edition Etching Rag 310 gsm - Matte

Canson® Infinity Edition Etching Rag is a 100% cotton Fine Art paper with a smooth texture, reminiscent of the original genuine etching and printmaking papers. The paper has the purest white tone available on the market, without any Optical Brightening Agents, also called OBAs. Optical Brightening Agents are artificial brighteners that deteriorate in time. Canson® Edition Etching Rag offers a high paper shade stability and a resistance to aging by using natural minerals.

This museum-grade paper provides deep blacks, excellent image sharpness, optimum colour graduation and its unique slight grain makes it ideal for printing detailed work, colour photographs and exceptional black and white portraits.

Technical specifications

For the Edition Etching Rag product

Testimonials

For the Edition Etching Rag product

© Robert Rodriguez Jr

Robert Rodriguez Jr

Whenever I have an image that needs a soft but extra dimensional look and feel, I always choose Edition Etching Rag. With a combination of beautiful color saturation and rich texture, it adds a sense of depth and richness that I rely on for many of my landscape images where I want to inspire the viewers imagination.
