## NZ NEWS

CCNZ tried a relaxed format for a recent lunch event – Vice President Fiona Allan reported that the event was informative and enjoyed by all:

CCNZ had 40 members and guests attend a luncheon ahead of the **FIFA Women's World Cup Australia & New Zealand 2023**. The largest women's sporting event and the third largest sporting event in the world!

Guest speaker was Jane Paterson, MNZM (pictured left) who is the Chief Operating Officer NZ for the FIFA Women's World Cup Australia & New Zealand 2023. Jane has led major events across New Zealand and Australia including, among others, the World Netball Championships, IRONMAN triathlon and UCI BMX World Championships NZ Golf Open, V8 Supercars, and marathons. She has held leadership positions with International Manager Group and on the global executive team of IRONMAN Inc as Chief Operating Officer Ironman Asia Pacific.

This event is also a culmination of the Big Four women's sporting events to be hosted in NZ behind the Cricket World Cup, The Rugby World Cup and the IWG Women and Sport World Conference.

*A relaxed vibe was the order of the day as the club trialled an innovative new format for this special luncheon*

### Presentation of Cheque to Blind Sport NZ

CCNZ took the opportunity to present Blind Sport NZ with a cheque for \$1,500. The funds will be used as a contribution to run a blind football 6-8 programme for individuals with low vision or who are blind.

### Carbine Club Member, Anna Lawrence gave an insightful presentation on CoachMate and NZ Football

CoachMate ensures content is made available to support people interested in coaching as a coach, as an educator, as a parent/grandparent etc. and to ensure that all kids have a great experience in sport.

**(Our thanks to Fiona for news from NZ)**
