Mains and USB Power Hub with Smartphone Cradle

OPERATION

This fantastically versatile unit provides you with dual mains outlets, as well as two high-power (2.5A) USB charging outlets. It even includes a handy cradle to prop up your smartphone or tablet.

The cradle does not provide a charging connection, so it's infinitely universal, just use your favourite charging cables. It's all fitted to a 1.5m mains lead, so it's perfect for desk and counter-top use. Convenient, with a smart white finish.
