## STORAGE GUIDELINES

All products should remain hard frozen in a temperature monitored freezer at  $-18^{\circ}\text{C}$  or below and stored in their outer carton until required as the best before date is printed on the outer carton.

All individual products have printed batch codes on their packaging for traceability.

When required, product is to be removed from freezer and thawed in a temperature monitored refrigerator at  $5^{\circ}\text{C}$  or below, thawing takes up to 12 hours, we recommend doing this the day before you require the product.

All products must be coded with a USE BY code, or a similar traceability system when removed from the freezer.

The specific thawed shelf life timeframes are:

- 5 days thawed shelf life for Hot Dog
- 4 days thawed shelf life for Gluten Free Range: Toasties/Sandwiches
- 3 days thawed shelf life for all other Ranges: Sandwiches, Wraps, Croissants, Turkish, Ciabatta, Pocket wraps, Croques and Toasties

**Please refer to FSANZ food handling guidelines as a reference.**
