

Compliance, Visibility, Control: Powering Franchise Success

Onboarding

Dedicated specialists guide your setup, including payroll, bookkeeping, supplier integrations, and training, ensuring your systems are ready from day one.

Rostering

Manage your workforce with ease by building your own rosters within minutes. Compare them with your budgets and assess your labour costs as you assign shifts.

Payroll

We'll assign a dedicated payroll professional to own and process your end to end payroll. This includes all your reporting, superannuation processing, STP submissions, and EOFY.

Bookkeeping

One of our dedicated Bookkeepers will take care of all your needs. We'll use the best cloud-based software to process things like POS daily sales, EFT receipts, bank reconciliation, and BAS.

Financial Reporting

All of your vital financial data in a single dashboard. Take control of your business with visibility across KPIs, benchmarking, exception reporting, and consolidated financials.

With over **15 years of experience** in the franchise industry, we're trusted by over **1,300 stores** nationally.
