

MasterFix

Property Maintenance

Our Story

MasterFix Property Maintenance

Building Australia's Leading Network for Tradespeople and Handymen

MasterFix was born from a simple idea: to create a place where skilled tradesmen, handymen, and dedicated weekend warriors could turn their passion into a thriving, full-time business. We know what it's like to dream of being your own boss, of creating something successful and meaningful. That's why we set out to build a brand that helps talented individuals like you build successful businesses while being part of something bigger—a network dedicated to becoming Australia's No. 1 name in property construction and maintenance.

Our founder's journey began over 20 years ago, leading and growing diverse businesses across different industries. After spending six highly successful years as CEO of a renowned international multi-award winning franchise based in Melbourne, he knew it was time to channel his experience and passion into something new. Driven by a lifelong enthusiasm and understanding for construction and renovation, he launched MasterFix, creating a franchise model that's as supportive as it is effective.

MasterFix isn't just another franchise; it's a true partnership. We recognise the unique skills you bring and are committed to helping you unlock your full potential as a business owner. Our proven, turnkey system was developed specifically for tradespeople ready to make the leap from employed work—or even weekend DIY—to business ownership. With industry-leading training, comprehensive operational support, and unmatched lead generation, our Head Office team is here to empower you every step of the way.

About You

Passion for Service

You are committed to delivering exceptional service and exceeding customer expectations. You take pride in the work you do and enjoy seeing your customers smile.

One or More Skills or Trades

Ideally, you have experience in one or more trades offered by MasterFix. Alternatively, you're handy around the house and eager to learn new skills to expand the services you can provide to your customers.

Entrepreneurial Spirit and Adaptability

You have the drive to take charge of your own business and make it a success, along with a willingness to learn and adapt to the evolving needs of residential and commercial customers.

Collaborative Team Player

The ability to collaborate with the MasterFix team and fellow franchisees to grow your business and enhance the overall brand. This includes collaborating on jobs to achieve shared success.

\$Billion Dollar Industry

In 2024 the Australian trades and handyman franchise industry exceeded \$1.3 Billion dollars and is expected to continue growing in 2025.

Lead Generation

How Does it Work?

MasterFix advertising runs 24/7 365 days of the week

Our call team log the calls and qualifies the enquiry

You call the customer to arrange a visit to quote

Call team allocates appropriate jobs to you to arrange to quote

Meet with the customer, discuss their needs and provide a quote

The customer accepts your quote

You raise the invoice for the customer, and they settle the invoice

You schedule the job and then complete it

Head Office Lead Generation Program

We take all the hard work out of generating enquiries by delivering ready-made leads for your franchise business.

Our online marketing is:

- Optimised to provide you a steady lead flow of qualified enquiries.
- Localised, so leads are within a realistic distance.
- Scalable as **MasterFix** Grows.
