We understand legal costs can burden businesses or limit access to advice. That's why we offer flexible billing options to suit your needs.

SMB Law is a boutique law firm practising in commercial litigation, dispute resolution, insolvency, commissions of inquiry, regulatory investigations/enforcement and criminal law. At SMB Law we have the experience, network and expertise to properly protect your rights and find the solution to your legal problem. We pride ourselves on being pragmatic and commercial in our approach.

Our aim is to be your trusted advisor as you develop and grow your business or you face an unwanted legal problem. Timely and pragmatic legal advice can be the difference between your success and failure or can determine your options for years into the future. Accordingly, it is vital that you can turn to your lawyer and trust they can provide that advice and properly represent your interests, even in difficult circumstances.
