## WHY IVANHOE GIRLS'?

Ivanhoe Girls' is a dynamic learning community. Established in 1903, we celebrated our 110th anniversary of the School's founding in 2013. Now with 112 years in the community, our traditional values underpin the high quality education we offer our girls, with state-of-the-art resources, facilities, and technology that enable our students to transition smoothly into the 'real' world.

## A STRONG COMMUNITY FEEL

There is truly something special about the culture of our School, which is often spoken about by parents, students and staff. There is a warmth, a friendliness, that is hard to describe, but experienced by those who walk through our gardens and become a part of the Ivanhoe Girls' family.

Our students also take on the responsibility of helping others all over the world, by getting involved in many charitable causes, and can participate in community service to assist our neighbouring facilities and local hospitals. Students become compassionate contributors to their community and the world, committed to social justice, sustainability and philanthropy.

The Coorwull Centre for Leadership and Service was established to develop, cultivate and enhance the Schools' ethos of selfless leadership and service to others.
