GETTING STARTED

Our High School to Uni and TAFE Guide provides you with a snapshot of our TAFE and university courses.

Planning your subjects for your senior years?

Use this guide to find out any prerequisites required to gain entry to your course of interest.

Getting ready to graduate?

Use this guide to find out the admission ranks required for your course of interest.

If you're not sure you'll meet the required admission rank or you haven't completed a prerequisite, we've got you covered. Towards the end of this guide you'll find information on alternate entry pathways for CQUni courses.

ACKNOWLEDGEMENT TO AUSTRALIA'S FIRST NATIONS PEOPLE

CQUniversity recognises and acknowledges the important role First Nations People make to our communities and values Indigenous knowledge systems as an integral part of our teachings.

OUTSTANDING GRADUATE OUTCOMES

We are ranked in the top two per cent of universities globally for graduate employability.¹

94 per cent of CQUniTAFE graduates secure employment or enrol in further study soon after graduating.²

INDUSTRY RELEVANCE

Our courses are designed alongside industry to prepare you with up-to-date, real-world knowledge and skills.

FIVE-STAR UNI

We're rated five stars for social equity, first-generation student ratio, and undergraduate full-time employment and starting salary.³

MAKING A DIFFERENCE

We're proud to be recognised in the top 200 sustainable universities worldwide and as Australia's first and only Changemaker Campus.⁴

EXCELLENT SUPPORT SERVICES

Benefit from a range of student support services including orientation, assignment and exam preparation and support evenings, our Student Mentor Program, counselling services, course advice, career planning services, support for students with disability or medical conditions, Indigenous student support, financial support options, and more.

Visit www.cqu.edu.au/support to find out more.

HOW TO USE THIS GUIDE

COURSE

Use the course code and course name to search our website www.cqu.edu.au and find out more about the courses you're interested in. Some TAFE courses may be marked with a  or . This means the course may be delivered via the Start TAFE Now  program or via a partnership  arrangement.

AVAILABILITY

CQUni has 14+ locations around Australia, so to fit them in this guide we've used abbreviations, which you can find in the legend below. Some courses also offer online or mixed mode study options. Search '**study modes**' on our website to learn more.

PREREQUISITES

These are subjects you must have studied at school. In brackets you'll find the prerequisite units required and minimum grade you must achieve to meet the listed prerequisite. If you don't have the prerequisites needed, our alternate entry pathways (page 37) may help you gain entry into your chosen course.

NEW PATHWAY TO MEDICINE

CQUniversity's Bachelor of Medical Science (Pathway to Medicine) is an innovative new course that will prepare you for your future medical career. Commencing in 2022, this course will be available at Rockhampton and Bundaberg, and provides a provisional entry pathway into The University of Queensland's regionally-based Doctor of Medicine program. The course is available to students who have completed year 12 in the year of application.

The Bachelor of Medical Science (Pathway to Medicine) has been made possible by an Australian-first university and hospital partnership between CQUniversity, The University of Queensland (UQ) and the Central Queensland and Wide Bay Hospital and Health Services.

Upon successful completion of the Bachelor of Medical Science (Pathway to Medicine) within three years, and with the required Grade Point Average (GPA) of 5.0 or higher, you will gain direct entry to the regionally-based UQ Doctor of Medicine (MD) program.

REAL-WORLD OPPORTUNITIES

Benefit from authentic learning experiences throughout your CQUniversity studies including community placements, clinical immersion experiences and work integrated learning opportunities with health service providers in the Central Queensland and Wide Bay regions.

LOCAL CONNECTIONS

CQUniversity's Bachelor of Medical Science (Pathway to Medicine) will provide you with exposure to local role models, insights into the health profile of local communities, and an understanding of health service delivery within a regional context, along with a network of peers to support you throughout your studies and future medical career.

MORE STUDY OPTIONS

STILL IN SCHOOL AND WANT TO GET A HEAD START?

Our Start Uni Now (SUN) and Start TAFE Now (STN) programs may be of interest.

START UNI NOW (SUN)

SUN offers Year 10[^], 11 and 12 students the opportunity to study CQUniversity units from degree-level courses while still in secondary school. Your studies may also contribute towards your Certificate of Education (eg. QCE, WACE, SACE, or VCE). You can enrol in a range of units, either on campus (face-to-face) or online, and combine them with your regular school work. After successful completion of a SUN unit, you may be eligible to apply for direct entry into your preferred course (excluding quota managed courses) and receive credit toward your degree. For more information, visit www.cqu.edu.au/sun.

START TAFE NOW (STN)

Start TAFE Now offers Year 10⁺, 11 and 12 Queensland students the opportunity to study VET courses as part of their Queensland Certificate of Education. You can choose between certificate I, II, III, IV and diploma level courses in a wide variety of disciplines. Benefit from developing real trade skills and qualifications while completing secondary school. If you're in Year 11 you can include a Start TAFE Now certificate III qualification or higher to contribute to your ATAR. For more information visit www.cqu.edu.au/stn.

If you're a high school teacher interested in delivering VET qualifications at your school in your specialisation, contact us to discuss partnership opportunities. Email stn@cqu.edu.au.

APPRENTICESHIPS AND TRAINEESHIPS

The steps to becoming an apprentice or trainee are different to becoming a student at university or TAFE.

Generally, you will be required to find an employer who is willing to employ you as an apprentice or trainee. During your apprenticeship or traineeship, your employer (or Group Training Organisation/ Job Services Australia provider) may arrange for you to undertake vocational education and training at CQUniversity.

Our apprenticeship and traineeship courses cover a wide range of areas, visit www.cqu.edu.au/apprenticeships.

FREE TAFE FOR QUEENSLAND YEAR 12 GRADUATES

Thanks to the Queensland Government, if you are a Queensland resident and have graduated Year 12 with a Queensland Certificate of Education (QCE) and are keen to start your studies within the next calendar year, you may be eligible to study a TAFE course with us fee-free in high-priority study areas. You must meet eligibility requirements. For more details visit our website and search '**free TAFE for Year 12 graduates**'.

[^] Year 10 students are eligible for Term 3 enrolment only.

[†] Students need to be at least 15 years of age at the commencement of classes. Applications by Year 10 students may be considered for admission.

WHAT YOU NEED TO KNOW ABOUT ATARS

Not sure where to start when it comes to the Australian Tertiary Admission Rank (ATAR)? We're here to help.

WHAT IS AN ATAR?

An ATAR is the national standard measure of your high school academic achievement and gives you a rank relative to other Year 12 students. Your ATAR represents your percentile rank and is a number on a 2000-point scale from 99.95, which is the highest rank, down to 0.00 with any ATARs below 30 reported as '30.00 or less'. ATARs are used as a measure for tertiary study selection.

HOW DOES YOUR ATAR HELP YOU GET INTO UNIVERSITY?

Your ATAR will be used to meet entry requirements. You will also need to meet any required entry score thresholds, prerequisites and any other entry requirements as relevant for your course of interest.

WHAT IF I AM STUDYING A VOCATIONAL EDUCATION AND TRAINING (VET) QUALIFICATION WHILE AT SCHOOL?

Successful completion of a VET qualification may contribute to your ATAR if it is a certificate III, certificate IV or diploma-level qualification. Your result will undergo similar scaling to general and applied subjects. If your VET qualification result is one of your top five eligible subject results it will be used to help calculate your ATAR.

WHAT IF I DON'T GET THE ATAR I NEED TO BE CONSIDERED FOR A COURSE?

An ATAR isn't the only way to get into a course at university. If you don't receive the ATAR you need to be considered for a course, check out our alternate entry pathways on page 37 or get in touch with us to talk through your options.

WHERE CAN I FIND OUT MORE?

Get in touch with us by phone on 13 27 86, chat to us via Facebook or search 'ATAR Information' on our website.

ALTERNATE ENTRY PATHWAYS

There is no single path to admission into a course at CQUniversity. Whether you're keen to develop your literacy and numeracy skills, looking to meet prerequisite subjects, need a stepping stone to your dream degree and career or simply want to build your confidence before starting study, CQUni is here to help.

SKILLS FOR TERTIARY EDUCATION PREPARATORY STUDIES (STEPS)

STEPS is a Centrelink-approved enabling program that has helped thousands of Australians gain entry into university. Tailored to you and your unique study goals, STEPS is designed to help you complete prerequisite subjects or satisfy the entry requirements for your chosen degree, or give you the confidence and skills to successfully enter and undertake university study. To find out more, visit www.cqu.edu.au/steps.

START UNI NOW (SUN)

Our SUN program is a valuable alternate entry pathway for high school students thinking about studying a CQUni course. After successful completion of a SUN unit during your senior high school years, you may be eligible to apply for direct entry into your preferred course (excluding quota managed courses) and receive credit toward your degree. For more information including the direct entry eligibility criteria for SUN students, visit www.cqu.edu.au/sun.

PRINCIPAL'S RECOMMENDATION SCHEME

At CQUniversity we believe senior schooling results are important, but we also believe that other factors such as motivation, talent, and passion can lead to student success at university.

The Principal's Recommendation Scheme allows Year 12 students to apply to a CQUniversity course based on the written recommendation of your high school principal rather than an ATAR. To find out more, visit www.cqu.edu.au/prs.

VET QUALIFICATION

If you hold a certificate III, certificate IV or diploma qualification, you may meet specified entry score requirements for many of our associate, bachelor and bachelor with honours degrees. To find out more about the entry score attached to your VET qualification and the courses that it may satisfy entry to, search '**ATAR Information**' on our website.

If you have a completed VET qualification and you've also completed the necessary subjects to receive an ATAR, you will receive two ranks: a selection rank for your VET qualification, and an ATAR. When you apply to study with CQUni, your application will be assessed on whichever score is highest.

START TAFE NOW

Start TAFE Now is an ideal entry pathway option that offers high school students the opportunity to study a range of TAFE courses as part of their Queensland Certificate of Education (QCE). You have the option to choose between certificate I, II, III, IV and diploma level courses in a wide variety of disciplines. Benefit from developing real trade skills and qualifications, while completing secondary school. Students need to be at least 15 years of age at the commencement of classes. For more information visit www.cqu.edu.au/stn.

INTERNATIONAL STUDENTS

If you are an international high school student studying in Australia or in your home country, we offer a wide range of courses to suit your individual needs and interests and to help you achieve your future study and career ambitions.

START UNI NOW (SUN) FOR INTERNATIONAL STUDENTS

International high school students can also apply to study SUN while in senior high school. Your first unit in the SUN program is free. Subsequent units (up to an additional three units) are offered at a significantly discounted rate of A\$500 per unit. To find out more visit www.cqu.edu.au/int-sun.

PRINCIPAL'S RECOMMENDATION SCHEME (PRS)

International high school students in Year 12 are also eligible to participate in the PRS. Find out more information on page 37.

CQUENGLISH

Our English language courses are designed to help you gain the skills and confidence for everyday English conversations and academic study. You will graduate with an excellent foundation of the English language to help you succeed in your university studies. To find out more visit www.cqu.edu.au/cquenglish.

INTERNATIONAL STUDENT SCHOLARSHIPS

International scholarships are awarded to recognise strong academic performance and innovation as well as enable better access so you can reach your full potential and build on your education aspiration. A range of scholarships are available to international students. Visit www.cqu.edu.au/internationalscholarships.

INFORMATION FOR PARENTS

Making the transition from school to university is an exciting time for many students.

It can also be challenging. That is why as a parent, you have a key role in helping your child decide on what course or study path is right for them. To find out more about the benefits of a CQUni education visit

www.cqu.edu.au/international-students/information-for-parents.

HOW TO APPLY AS AN INTERNATIONAL STUDENT

As an international student in Australia, if eligible, you can apply via a Tertiary Admission Centre (QTAC, SATAC, UAC or VTAC). Alternatively, you can apply via our website. For more information visit www.cqu.edu.au/international-apply.

Applications for a CQUniversity scholarship are done at the same time when you apply. You may also contact one of our authorised agent representatives to assist you with your application. Visit www.cqu.edu.au/agents.

INTERNATIONAL ESSENTIALS

As an international student, there is a range of information available relevant to you, including student visas, Overseas Student Health Cover (OSHC), working while studying, living costs, getting around and more. Visit www.cqu.edu.au/studyinginaustralia.

You can find out more information, including international fees, entry requirements, course details and more by visiting www.cqu.edu.au/international.

^Year 10 students are eligible for Term 3 (November) intake only.

IMPORTANT NOTES

- 1 Courses may be delivered by a combination of on-campus study, workshops, residential schools and online education.
- 2 Intakes, duration and availability may differ from what is listed in this guide depending on preferred intake, study mode and personal circumstances. Course commencement is dependent on sufficient enrolments. Different study periods apply for TAFE and university courses. Many TAFE courses offer multiple monthly intakes. Mixed Mode availability is unique to TAFE courses only and is a combination of online learning activities in addition to compulsory site-specific learning activities. Online availability for TAFE courses may include work integrated learning, such as work placements. Please visit **www.cqu.edu.au** or contact us for more information.
- 3 The SR and ATAR listed are the entry scores required to be considered for a place in each course and should be used as a guide only. Entry to courses is competitive and the cut-off score will vary from year to year and for courses where there is a limit on the number of places available a higher score may be required. To view the latest ranking information visit **www.cqu.edu.au/courses** and view the Entry Score information for your course of interest.
