

Your application and enrolment at GOTAFE

Application

Each student must apply to undertake a qualification at GOTAFE by:

- completing an eApplication or
- visiting one of our Customer Services Centres or
- applying online at <http://www.gotafe.vic.edu.au/>

Your Course Coordinator will offer Skills Recognition to you and explain the process to you prior to beginning the training of the course. Skills Recognition is formal recognition for skills and knowledge that have been obtained through work history, previous study and life experiences.

It is important to remember that this is an 'assessment only' process there will be no training involved. However, candidates may choose to complete further training as a result of the assessment process.

Skills Recognition can also occur as Credit Transfers. Credit Transfers are applied where an individual's prior education results are directly transferred as credit in a new course.

If you consider that you may be competent in some of the units of competence you are enrolling into, discuss the Skills Recognition process with your Course Coordinator.

Course selection process

The Course Coordinator will undertake a Course Selection Process to approve students for entry into the course. All students are required to participate in a Pre-training review. This process supports an individual's proposed training to:

- enable them to obtain the required skills to make them job ready
- assist them to undertake further education and/or
- enable access to training for all learners.

The pre-training review process ensures that the qualification chosen is both suitable and the most suitable option for the student and that the proposed learning strategies and materials are appropriate. This may involve testing or interviews, or both, to determine an applicant's suitability for training, credit transfers and/or skills recognition.

At interview, you may be provided the following documents to complete:

- Evidence of Eligibility and Student Declaration form

You may wish to bring to your interview:

- Prior qualifications and/or results for Credit Transfers approval
- Your Unique Student Identifier Number

And if applicable one of the below:

- Health Care Card
- Pensioner Concession Card
- Veterans Gold Card

Course offers

After you have undergone the Course Selection process you will be advised of the selection outcome.

If successful, you will receive the following in an Induction/Enrolment pack:

- Indicative Course Statement of Fees
