

PRIORITY SKILLS LIST

(Queensland VET Investment Programs 2019-20)

NOTICES:

* The Priority Skills List contains qualifications and priority skill sets subsidised by government with the listed subsidy amounts paid directly to the pre-qualified supplier as set out in the associated policies. Additionally, each pre-qualified supplier determines student fees as a contribution towards the costs of training. The department encourages students as consumers to do their research when considering their training options with tips available online at www.desbt.qld.gov.au/training/training-careers/courses/studentguide/tips.

* Certificate 3 Guarantee and Higher Level Skills Program Policies - Under "Who is eligible to receive training" includes this statement - "Any additional eligibility requirements will be based on industry advice or requirements under the relevant national training package...". PQS must refer to www.training.gov.au for additional eligibility requirements for funded qualifications/priority skill sets.

* Priority Skill Sets are identified with the word "skill set" at the end of the training product name and applies to the Higher Level Skills program only.

* "Restricted Qualifications" are managed under special arrangements, only Pre-qualified Suppliers specifically authorised by the Department can deliver publicly-funded training for these qualifications.

* Registered Training Organisations must refer to the Australian Skills Quality Authority "General direction: Transition & teach-out" for transition and teach-out arrangements on superseded Training Packages and accredited courses.

* Regional Location loadings are available - refer to the current Pre-qualified Supplier Policy 2019-20 for the conditions.
