Bridging Grants Eligibility Test (172)

Please read this first

- This short eligibility test is designed to quickly assess if you are eligible to apply for a Bridging Grant (BG). You can only take the test once.
- We suggest you read the relevant sections on the GCF [website](#) such as the program outline, the guidelines and the FAQ section *before* you take the test.
- If you pass you will receive an email confirming this along with a BGA application number which must be written into the BG application form when you apply.
- Note as each submission is reviewed personally, it can take up to 24 hr to receive your outcome email although responses are generally within an hour of receipt.
- Final BG Applications are made online only. Only one submission is allowed per applicant.
- For those deemed in-eligible to apply you will be notified by email. In-eligibility is determined when all or some of the essential eligibility criteria are not met. We suggest you review your status and consider applying again in a future round if applicable. You will not be able to retake the eligibility test again in this round. Please do not contact us and ask for further access to the system as this is not possible.

For all responses select only ONE answer per question.

Applicant Details

Please provide your email address*

Required to send approval/non-approval emails
