

For us, it's all about the customer.

Our mission is to drive inward investment for South Australia – investment which creates high value adding industries and sustainable jobs.

We are here to provide exemplary customer service and make your investments happen. Our team is here to listen to your needs and tailor support which will open the door for you to invest in South Australia.

We have an experienced business development team, who understand business requirements and priorities; we can provide unparalleled access to decision-makers in both the public and private sectors; and we can connect you to significant investment-ready projects.

We do this by understanding local industry capabilities and opportunities – and then pursuing global markets to complement and diversify those strengths.

The speed and professionalism provided by our team means the process of securing your investment is streamlined to ensure your business is a success in South Australia.

We will work with you by:

- providing a dedicated point of contact for all your project requirements
- ensuring you have the best support to expedite your project in what may be a new state or country
- simplifying dealings with government and other business partners to streamline your path to a secure investment
- providing policy and regulatory assistance to accelerate your investment
- helping you access the state's skilled local workforce, ensuring you are connected to professionals who can deliver results
- linking you to new technologies, services, skills or processes which may add value to your organisation.

Put simply, we can connect you with decision-makers, identify funding and support options, help you choose new premises and then settle into South Australia.
