Shaunti Feldhahn

Shaunti Feldhahn received her graduate degree from Harvard University and was an analyst on Wall Street before unexpectedly becoming a social researcher, best-selling author, and popular speaker.

Today, she applies her analytical skills to investigating eye-opening, life-changing truths about relationships, both at home and in the workplace. Her ground-breaking research-based books, such as *For Women Only*, have sold more than 2 million copies in 23 languages; her books and DVD studies are popular in homes, counselling centres, and corporations worldwide.

Shaunti (often with her husband, Jeff) speaks at 50+ events each year around the world, sharing her findings with a wide range of audiences such as corporate conventions, women's conferences, universities, and marriage seminars. Her research and commentary are regularly featured in media as diverse as *The Today Show*, *The New York Times* and *MomLife Today*.

Shaunti's books include *For Men Only*, *For Women Only*, *Through a Man's Eyes*, *The Surprising Secrets of Highly Happy Marriages*, *The Good News about Marriage*, and *For Couples Only*.

Bettina Arndt

Bettina Arndt was one of Australia's first sex therapists. As a respected social commentator she was invited onto government advisory committees covering issues from family law to childcare and ageing.

She has authored two best-selling books, *The Sex Dairies*, and *What Men Want*. Bettina is still heavily involved in the public arena, speaking to audiences all over Australia and appearing regularly on television and radio.

More recently, Bettina has commenced online dating coaching. Her warm approachable style and immense experience with relationships – and over 40 years as a writer – makes her uniquely equipped for this new role.
