

Hope Channel

“He said to them, ‘Go into all the world and preach the gospel to all creation’.”
Mark 16:15 (NIV)

What if I told you that your offerings this morning would have a global impact? This is exactly what the media ministry of Hope Channel is currently achieving! Each year thousands of viewers all over the world experience life-changing journeys, from watching broadcasts to baptisms. There are currently 50+ Hope Channel affiliates around the world broadcasting in

more than 60 languages, and many individuals are coming into a saving relationship with Jesus because of the Hope Channel ministry.

Just last spring, Pastor Mark Finley and his wife, Teenie, conducted Revelation of Hope evangelistic meetings in Mwanza, Tanzania. These meetings were broadcast by Hope Channel Tanzania to over 4,500 sites across the country. The impact of the meetings increased exponentially because they were able to increase their reach—and as a result, more than 22,600 people were baptised!
