

Hills School Scholarship

“No, in all these things we are more than conquerors through him who loved us.” Romans 8:37 (NIV)

“We are extremely happy that our son has been given the opportunity to be a part of this wonderful school in building a solid foundation for his future,” says a parent of a junior school student at Hills Adventist College.

High-rise buildings in Sydney’s central business district need firm foundations to be structurally sound. In the same way, Hills Adventist College has proven itself for building depth and character for students past and present. Hills Adventist College offers a supportive environment where students on campuses in junior and high school can succeed and experience growth in a competitive market. The school was founded with a focus on God and Christ-centred beliefs.

This week’s offering will go into our scholarship fund to provide scholarships to students that attend Hills Adventist College, giving them an opportunity to participate fully in our schools.

There are two ways you can help:

1. Give! Remember that every donation above \$2 is tax deductible.

2. Tell family and friends about the scholarships, and encourage them to apply for school starting 2020.

It is one thing to say “believe” and quite another to act on what you believe as though it is already true. The Bible frequently talks about a “fight” of faith.

Appeal

May we band together and give with big hearts to help finance our scholarship program in Greater Sydney Conference.

Prayer

Lord, thank You for our staff at Hills Adventist College. May You strengthen their resolve in You.
