

# ADRA Project within Australia

“Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of others.” Philippians 2:3-4 (NIV)

Did you know that your support of ADRA helps people right here in Australia?

It is thanks to your offerings—and the commitment of passionate volunteers—that ADRA community centres, op shops, refuges, food pantries and community meals programs can help Australians in need. People just like Jonathan.

Three years ago, Jonathan was homeless, hungry and struggling to provide for his three boys. But thanks to Vive Café, an ADRA community meals program, Jonathan and his boys received much-needed food, clothes and support to get back on their feet. They escaped the clutches of homelessness, reclaimed their dignity and found God and their very own church family.

## Appeal

Today, your freewill offering can help other Australians finding it tough to get back on their feet. Please give generously.

## Prayer

Dear Lord, You know our needs so well. Thank You for caring for our needs and the needs of those living in our communities. Amen.
