

Local Church Budget

“Do you not know? Have you not heard? The Lord is the everlasting God, the Creator of the ends of the earth. He will not grow tired or weary, and his understanding no one can fathom. He gives strength to the weary and increases the power of the weak.”
Isaiah 40:28-29 (NIV)

God is everlasting. He is eternal and has unlimited power. His supply of strength does not run out, His resources are endless. He gives and gives without growing tired. Most importantly, His

desire is to give generously, to share His power and grace and mercy on a daily basis. All we need is to ask. How deeply we need the strength and power of God, yet we try to do all in our own power.

Every time we give to an offering or pay our tithe we are declaring not our own strength or power, but God's. When we give it is an act of worship to our God, a symbol of His eternal nature and limitless resources. What we give is just a small portion of what our generous God has entrusted us with. As you worship this morning, take time to reflect on the greatness of the God that we serve.

The local church is the mouthpiece through which our communities get to know and understand that eternal, all-powerful nature of our wonderful Creator God. As we give today, we are unleashing potential for others to come into a saving relationship with Jesus.
