

MVAC School Scholarships

“In everything I did, I showed you that by this kind of hard work we must help the weak, remembering the words the Lord Jesus himself said: ‘It is more blessed to give than to receive’.” Acts 20:35 (NIV)

The process of receiving and giving systematic instruction is the definition of education; however, Adventist education has gone over and above that. Providing a holistic approach with a focus on God, equipping children and young adults to become better individuals and adding value to society.

This week's offering will go into our scholarship fund to provide scholarships to families that attend Mountain View Adventist College, giving them an opportunity to come to our schools.

There are two ways you can help:

1. Give! Remember that every donation above \$2 is tax deductible.
2. Tell family and friends about the scholarships, and encourage them to apply for school starting 2020.

Appeal

It's more blessed to give than to receive, and we have an opportunity to be a blessing to our schools in Sydney.

Prayer

Lord, be with the teachers and students at Mountain View Adventist College as they continue to grow and flourish under Your leadership. Amen.
