

# World Mission Budget: Unusual Opportunities

“... offer yourselves to God as those who have been brought from death to life; and offer every part of yourself to him as an instrument of righteousness.” Romans 6:13 (NIV)

From time to time situations develop that create mission opportunities to which the church could respond quickly if funds were immediately available. These opportunities might disappear if we had to wait for months or years to raise funds.

The Unusual Opportunities Fund is used for these unique opportunities. For the past several years this offering has averaged more than US\$700,000, portions of which have been used for television stations in Norway and Ebola education in West Africa.

## Appeal

We can have a part in responding to these urgent opportunities by participating regularly in the giving of freewill offerings.

## Prayer

Dear God, thank You for the privilege of helping those in need of hearing about You. Amen.

*\*Regularly, the GC receives a portion of our offerings via the divisions and redistributes the funds to mission entities. The World Mission Budget (Unusual Opportunities) is on this list. Additional offerings may be given at any time to the World Mission Budget (Unusual Opportunities) in a marked envelope.*
