Appeal

May we return our tithes and offerings, presenting them as reminders of what the Lord had done for us this week! May we rejoice and worship Him!

Prayer

Dear God, Creator of the universe, please accept the offering of our heart! Take it and cleanse it, making it Yours.

With the rise and prevalence of technology comes the rise of the virtual church! Through things like Facebook, live-streaming channels and YouTube you're able to experience a worship service without ever leaving your couch. As generations change and churches look for ways to stay relevant and connect with the increasing online village the rise in the virtual church goer is on the increase.

But there is no virtual experience that can replace regular worship, face to face in Church. The Church isn't just a building but a community of believers that can encourage us in our faith. The church is also the outpost of the storehouse, the place where we are commanded to bring tithes and offerings. Putting convenience last and God first, we connect all family members to Him there by (1) praying, (2) singing, (3) studying His Word, and (4) worshiping Him with tithes and offerings.
