Expected Tuition Fees

Fees are confirmed after a quote is given by the NSW Government.

Fees may be lower than this – based on units completed (Credits) from previous qualifications.

NB. Our combination qualification prices listed here are based on completing our standard units to gain the multiple qualifications eg Diploma of Business + Diploma of Business Administration = 11 units = 1 full qualification student fees (8 units) and 3/8 of the 2nd qualification student fees. Should your Training Plan require a different number of units or different combination, then the student fee will vary.

- All Fees are calculated in \$AUD
