## Glossary of Terms Used:

### What do these mean:

**Course Cost (Maximum Tuition Fee):** the full amount of the course – remains the same no matter how paying for course – with either payment plan or with a VET Student Loan

**Paying with Fortnightly Payment Plan:** Paying the course cost via a payment plan – paid fortnightly usually on credit card. Lists the number of fortnights needed to pay off the total course cost

**Paying with VET Student Loan:** paying the course fees with a loan from the government. Lists the amount for each qualification

**VET Student Loan Limit:** the amount VET Student Loan allowed by the government for each qualification

**Student contribution (Gap) per Trimester:** The amount over the student loan limit to pay the full course cost. Students must pay this gap. Fees are due for the trimester. Paid either upfront for the trimester or over a payment plan – fortnightly. This is the out of pocket amount due for the subjects (VUS) covered in that trimester that is not covered by the VET Student Loans.

**Total Gap - Paying with Fortnightly Payment Plan:** The total gap is the amount of your course that is over the amount you can get a VET Student Loan for. You can pay this amount via a payment plan, paid fortnightly.

**\*Double & Triple Qualifications:** 2 or 3 qualifications are awarded. By completing a few extra units (subjects) means you gain 2 or 3 qualifications at the same time. You also save a heap of money, compared to paying for the courses individually. Students who enrol in the first qualification may also enrol in the extra units needed from the 2<sup>nd</sup> qualification to also qualify for that 2<sup>nd</sup> qualification. Units from the 1<sup>st</sup> qualification when completed are used as credits towards the 2<sup>nd</sup> qualification. Enrol in both or all listed qualifications.

**Academic Calendar:** Global Training Institute offers a Flexible self-paced format of study, allowing a student to enrol on any given day, so no set study periods apply as a whole college. College is closed for 2 weeks over Christmas.

Duration: Certificate IV = 12 months: includes 8 weeks holidays at the end - 44 academic weeks (3 trimesters).

Diploma = 12 months: includes 8 weeks holidays at the end - 44 academic weeks (3 trimesters).

Advanced Diploma = 18 months: includes 12 weeks holidays at the end – 66 academic weeks (3 trimesters)

**Rolling Start Dates** - At Global Training Institute, we have rolling start dates, which means you can enrol into and start your course on any business day (Monday to Friday) of the year from mid-January to mid-December! No waiting for the next semester and no worrying about missing the next intake, we can start you in the course you like, when you like.

**Certificate IV Courses and Non-VET Student Loan Approved Courses:** Students are enrolled into, and have access to all of their Units at the commencement of their course. Fees are due and invoiced for the whole course at the commencement of the course (often paid as a payment plan over the course duration).

**VET Student Loan Approved Diploma and Advanced Diploma Courses:** To comply with our VET Student Loan Approved College requirements, Students are enrolled into their Units in a trimester format (3 blocks of units) spread evenly over the duration of the academic period of the course, to match the required 3 fee periods. Fees are due for that trimester (block of units), at the beginning of the trimester.

If a student completes their trimester block of units early, they can request entry into the next block, using the 'Early Completion Form'. If no early completion request is made, students will be automatically enrolled into the next block (trimester) at the below timings.

Diploma Qualifications: Access Trimester 1 Units: Week 1; Trimester 2 Units: Week 14; Trimester 3 units: Week 28

Advanced Diploma Qualifications: Access Trimester 1 Units: Week 1; Trimester 2 Units: Week 22; Trimester 3 units: Week 44

NB. All Tuition fees must be paid before any qualification will be issued; or proportionally for any Statement of Attainments issued.

**Start Date:** The students start date is the date supplied with any Confirmation of Enrolment. For VET Student Loan Approved Courses, the start date is the date that the Course Application form is received at GTI.

## **VET Student Loans – Diploma and Advanced Diploma Courses**

**\*Double & Triple Qualifications using a VET Student Loan to pay for some or all of your fees:** Each qualification is treated individually. You will need to have a VET Student Loan for each qualification that you are undertaking and paying some or all of the amount with the VET Student Loan.

Eg. Diploma of Business + Diploma of Business Administration = 2 x VET Student Loans (1 for each qualification)

Diploma of Business + Diploma of Business Administration + Diploma of Local Government = 2 x VET Student Loans – because Diploma of Local Government is not eligible for a loan.

**VET STUDENT LOANS** for more information regarding VET STUDENT LOANS see <http://education.gov.au/vet-student-loans>  
VET Student Loans approval is dependent on applicant meeting the required Eligibility Requirements and availability of loan amount within GTI allocation.

**VET Student Loan Limit \*\*:** Total amount of loan you can have for this qualification. Payable over 3 fee periods – 1 for each of GTI trimesters.

**VET Unit of Study (VUS):** Each course is divided into 3 x VET Units of Study, which are a group of accredited units (subjects) that you need to complete to finish the course. AT GTI, the units you complete in a Trimester equals the VET Unit of Study. A unit of study comprise of a group of units of competency or one unit may equal one unit of competency.

**VET Student Loan Application:** You only need complete the VET Student Loans application once for each qualification that you are studying. The one application covers all vet units of study and subjects in your course.

**VUS Start Dates:** This date is calculated from your Confirmed Enrolment Date.

Diploma Qualifications VUS start dates: VUS1: Week 1; VUS2: Week 14; VUS3: Week 28

Advanced Diploma Qualifications VUS start dates: VUS1: Week 1; VUS2: Week 22; VUS.3: Week 44

**VUS Census Date:** This is the date that you incur your personal loan debt (that must be paid back through your taxes with the ATO, when you reach the repayment tax amount). The Census date is the last date for you to apply for a VET Student Loans to pay for the tuition fees for the subjects in that VET Unit of Study. It is also the last date in which you can withdraw from the Vet Unit of Study before you incur a debt for the applicable tuition fees.

The census date will be 20% of the way through each VUS, as calculated from your VUS Start Date to the Completion Date for each VUS.

Although a student requests a loan for a course, the student becomes financially liable for the tuition fees on a 'part of a course' (or unit of study) basis at the end of the census day for that unit.

**VUS End Date:** This is the final date you will need to complete the subjects in the VET Unit of Study by. You may complete that unit earlier if you wish. However, if you do not complete the subjects by the VUS End Date, but you are still progressing ok and wish to continue, you will need to apply for an extension.

Diploma Qualifications VUS end dates: VUS1: Week 13; VUS2: Week 27; VUS3: Week 44

Advanced Diploma Qualifications VUS end dates: VUS1: Week 21; VUS2: Week 43; VUS.3: Week 66
