vacating checklist

Your cleaning and vacating checklist

A lack of cleanliness is one of the most common reasons bonds are not refunded in full. It is a legal requirement that tenants leave the rental property reasonably clean when they vacate. Areas often missed when tenants perform their final clean include ceiling fans, light fittings, skirting boards and ovens. The checklist below will help you with this process when vacating. We recommend you use our approved tradespeople listed on our website so that the quality of work meets with our standards.
