SLAB LEANER

With strong lines and contrasting materials, the Slab Leaner is a stunning feature for any hospitality or commercial fit out. Created to accentuate the beauty of solid timber and showcase our natural resources, the Slab range is lends itself to larger sizes and encourages communal dining, becoming a conversation piece thanks to its rugged yet refined natural elements.

Designed and manufactured in New Zealand from solid American Ash and locally quarried Bluestone, this leaner is flat packed to assist with installation. Available in a range of sizes and finishes with table or outdoor variations.
