

HARROWS

PI TABLE

The unique “Pi” edge profile gives this dining table its stand-out quality. The stunning beauty of solid timber with the natural ash grains bring life and warmth to a space, with the contoured edge profile adding a real point of difference

Make a statement with your restaurant and bar furniture through the strength and resilience of solid timber furniture. Designed and manufactured by Harrows, the Pi Table is available in a range of sizes, with complementary bar leaners and pedestal tables to complete the collection.
