CLASSIC LEANER

The Classic Leaner was purpose-made for hospitality. With clean lines and sleek tapered legs, the Classic Leaner is scalable to any size to suit your bar fit out. The leaners can stand alone or be configured against one another for that food hall atmosphere and deliver flexibility to you in creating different zones within your venue.

Simplistic and beautiful, the design includes an ergonomically designed foot rail offering patrons extra comfort and ensures the leaners are robust and ready for the nightlife. The Classic Leaner can be customised with colours, finishes and more.
