IKON COLLABORATE TABLE

The Ikon Collaborate is a vital addition to the modern office space. Designed specifically for video conferencing areas, the Ikon Collaborate has a wall mounted design, unique trellis under-frame and the option to add power. This combination creates the ability to effortlessly connect with members of your team and other professionals working out of the office.

With a cut-away sharknose edge profile as standard and tapered shape, the Ikon Collaborate is a stunning feature bringing warmth and life to any commercial space.
