POISE TIMBER CONFERENCE TABLE

With its striking sharknose edge profile, the Poise Timber Conference Table is a stunning furniture piece, bringing warmth and life to any commercial space. Made from solid American Ash and mounted on steel legs, this conference table offers the option of personalisation by mixing and matching leg and top colours to suit any environment.

A range of power and data options can be seamlessly integrated into the natural timber grain. These options vary in design and ability, ranging from the seamlessly integrated Flip Power and Indesk Power Boxes, to simple cut outs with cable trays.
