

HARROWS

MADE FOR SOCIAL SPACES

Annette Chair.

Customisable Elements

Finish, Upholstery

Designed in Italy, the Annette is a comfortable and contemporary chair that gives ultimate design flexibility. The Annette is available with a solid timber base and is upholstered in-house to allow for greater personalisation. Select any fabric and stain the base in any colour to create a real feature of this sophisticated armchair.

The Annette is part of an Italian-design collection that includes the Brek, Paris and Meg Chairs. Ideal for waiting areas and coffee nooks, this breakout chair is made for the commercial environment. It's fully upholstered shell is entirely moulded with cold-cure fire retardant polyurethane foam with steel framework, and the timber frame is machined onsite and is also FSC® certified.
