## Sky Table Base.

Ideal for hospitality and social spaces, the Sky Table Base is designed for the outdoors. Made from durable weather-resistant resin, this is a base that will never unravel, rust or decay. Its classic black finish has the metallic shine of a metal base, without the promise of deteriorating like one. With a sturdy centre pole and splayed legs providing additional stability, the Sky has adjustable feet and can be paired with any table top.

The Sky is only available in table height, and suits tops from 700 x 700 to 900 x 900.
