

HARROWS

MADE FOR SOCIAL SPACES

Jolly Chair.

Customisable Elements

Finish, Upholstery, Base Option

The Jolly is a sleek upholstered chair that gives ultimate design flexibility. A contemporary Italian design, the Jolly is available with three different base options and upholstered in-house to allow for greater customisation. Mix and match fabric patterns and colours on the front and back panel to create a real feature of this cosy armchair.

Ideal for offices and collaborative spaces, this breakout chair's fully upholstered shell is entirely moulded with cold-cure fire retardant polyurethane foam with steel framework. Timber frames are machined onsite and are FSC® certified.
