

HARROWS

MADE FOR SOCIAL SPACES

Victor Chair.

Customisable Elements

Colour

The Victor is an polypropylene replica of the most sought after chair - the classic bentwood. Made from a single mould, this stunning outdoor chair reproduces the romantic and generous curves of the Thonet chair which was created in the 1880's.

The Victor is sturdy, lightweight and stackable up to 5 pieces. Available in black, white, grey and green, this timeless design blends comfort and style and is perfectly suited to any outdoor space.
