## SNAP SHOT OF THE MINUTES.

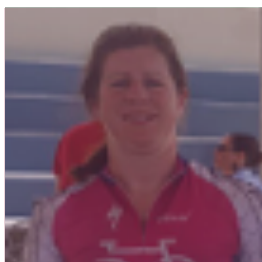

### El Presidente

I made an email address. If you have any comments, complaints, issues of any kind please put it in writing and send to [headsofstateultimate@gmail.com](mailto:headsofstateultimate@gmail.com). I will be personally reading all correspondence. If you have an issue, don't use a tissue.

### VP

He's going to put in a bid for kaimana 2018.

### Secretary

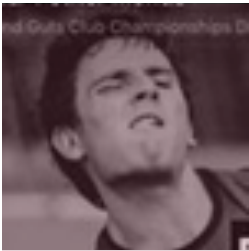

Looking for grants, collaborating with Jett's Gym and Zac again this year. Following up more sponsorship. Claire also likes to ride her bicycle.

Read this. It's good for you.

### Trshur

Katie made a payment policy. Please pay your bills please!

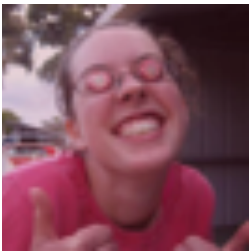

### High performance

*Mens* - Would like to announce that the juggernaut team split will be WUCC/non-WUCC this season. Both teams will be selected by early to mid-December so it is imperative that players make as many trainings and selections events as possible to push their case for selection in what is going to be our biggest and best year yet! Lee

Baker has also agreed to be the coach of both teams, get around him!

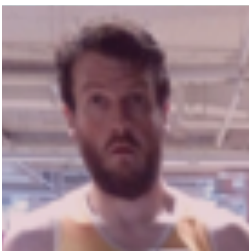

*Womens* - Phoenix will be aiming to build on performance in Div 1. Delighted to announce that our boy Seb Barr will be the coach of Phoenix for this season in between his playing commitments

### Womens

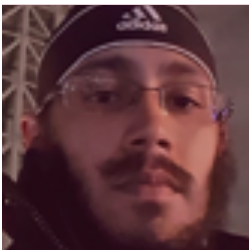

HoS is once again looking to send two teams to Nationals this season. Phoenix to Div 1 and Inferno to Div 2. As my role is new and different this year I am sharing the load with Lilly. As Lilly is a member of the High-Performance committee she will be looking after Phoenix this season. Whilst I will be looking after Inferno, should you have any questions regarding women's this season please get in touch with

the relevant person. If you are keen on getting involved in all things women at HoS please get in touch as I am still forming the committee. We are excited to announce Seb Barr as Head Coach of Phoenix this season, he will be working alongside a co-coach (TBC) to bring da gurlz to glory. We are currently asking for Expressions of Interest to coach Inferno. If you think this could be you, please email [becwallbridge@gmail.com](mailto:becwallbridge@gmail.com).

### Development

Organizing HoS men's league. VUL league (EOI's to follow). Apocalypse will ONLY be a VUL team for this season and possibly be a team for regionals. Colossus will be the only div 2 men's team for this national's season as we are looking to push and improve players in this division.

### Operations

Organizing uniforms this season. All club members will need new uniform to correspond with the new AFDA rules, hopefully will last the next 2-3 years. The whole club will have the same white, and boys and girls will have separate dark strip

design. Special tournaments such as WUCC 2018 will have separate uniforms.

### Social and Gen rep

Nothing to report from these two. Ebs goes to the gym if you didn't know.

## PAYMENT POLICY

Since we had a lot of issues in the past year with money things, Katie has provided us all with a payment policy which all club members will abide by for the up coming nationals season. Here is the [policy](#) if you wanna have a read of it, actually, please do, it also has basic estimates of each tournament this nationals season, although these are currently guesstimates from last season.

## WUCC UPDATE

The HOS men’s team has received a bid allocation to attend WUCC2018 which will be held from the 14th to the 21st of July next year. This will be the third time the club has attended.

Currently we have selected our initial squad who will be trying out for the final team. There is a one-off selection camp which will be held on the 11th/12th of November.

HOS do not need to attend the WUCC qualifiers as they are guaranteed a spot. HOS, Colony and Chilly will host their own seeding tournament next year after nationals to determine seeding.

The selectors for HOS WUCC are Mark Isherwood, Tony Castrignano and Tim Wise. We are looking to take a maximum of 21 players with the likelihood of taking less.

HOS will only be taking current HOS players or players who have previously played with HOS. Key payment dates are below:

01/09/2017	Registration fee	\$1,000
20/10/2017	Early discount team fee	\$900
20/11/2017	Player fee for 16 players	\$7600 = \$475 pp
31/01/2018	Remaining player fees depending on team size	TBC
31/01/2018	Guest fees eg.physio coach	\$200 USD per day

## WUCC UPDATE, continued

HOS are looking to win the tournament and will be sending the strongest ever team to attend World Clubs.

There will be a 1-week pre-tour which is being organised now before we take on the world.

Heads. Of. State. Clap.

## MENTORING INITIATIVE

This is a new program to HoS. Every member will be included in this mentoring program that will begin at the start of the season, and regardless of which team you are on. If you want more details email [headsofstateultimate@gmail.com](mailto:headsofstateultimate@gmail.com)

## EXPRESSION OF INTEREST (EOI) FORMS, continued

### Victorial Ultimate League (VUL) mens and womens

Victorian Ultimate League is a state-wide competition that runs from November through until February. Rather than being a traditional weekly home-and-away league, VUL teams all meet in one location once per month and play 2-3 rounds of the league on a single day.

Heads of State are entering teams in the Open and Women's divisions, and we are looking for players who are interested in taking part. VUL has restrictions on player experience, so this is the perfect competition for anyone looking to play competitively for the first time! Please note this is separate to the national's season.
