

THE BUSINESS BUILDERS MOTIVATION MANIFESTO

TODAY I AWAKEN WITH JOY

I spread joy wherever I go

I AM STANDING TALL even when I feel I am standing alone
I am a beacon of STRENGTH,
showing others they too can be strong.

I am **CONSIDERATE & COMPASSIONATE** with myself as much as I
am considerate & compassionate to others.

I only attract like-minded, *coachable*

BUSINESS BUILDERS

who are ready to GROW.

I ATTRACT *loyal, advocating*

customers with ease & consistency.

I AM INTERESTING BECAUSE I AM INTERESTED IN OTHERS.

I LOVE TO LEARN & I seek the lessons
in both the good & the bad.

I LOVE PEOPLE.

I smile first. I listen first.

I seek to understand first.

I ADD VALUE to the world and value to others on a daily basis.

I know that these acts create warm feelings that add value to my own life

I AM GRATEFUL I can be of service to someone every single day BY BEING WHO I AM.

I BANK GIVING FOR I KNOW I HAVE A LIFE OF GAINS

I add hope to the world, to my life and to others

I see the best in everyone,
including myself.

I see when I or others are not
presenting their best & I allow

S P A C E

& PATIENCE for that to pass.

I allow time & distance

between myself & others

WHEN WE ARE NOT ALIGNED

I do not blame.

I do not shame

EVEN WHEN THEY ARE BLINDING ME.

I know there is always
something more for me to learn

& I am happy to find it.

I take **positive, forward-moving action**

CHARGED WITH GOOD ENERGY,

because I know

A MOVING OBJECT GAINS

MOMENTUM.

& I am moved.

I seek to gain more good.

I choose not to react with negative
energy when something upsets me.

Instead, I **GO WITHIN** or I go without.

I learn. I grow. I go.

I recognise the need in the world for me to be fully & completely, **UNIQUELY ME.**
I recognise the need in the world **FOR WHAT I HAVE** & the way only I can deliver it.

I AM THE MESSENGER, NOT THE MESSAGE

I get out of my own way. I get out of my comfort zone

I mind my own business. I mind my mind

I AM A BUSINESS BUILDER & I am building my empire.

I've got this. It is done
