# THE BMW F 450 GS

## BROCHURE 2025

**MAKE LIFE A RIDE**

Illustrations show optional dealer fitted accessories.

# OVERVIEW

The all-new F 450 GS is designed to be your everyday companion, inspiring spontaneity wherever your next adventure is looking to take you.

Agile, lightweight, and ready for anything. With a low seat height of just 845mm and a curb weight of only 178kg, it's the most accessible model in the GS family – perfect for both newcomers and experienced riders alike.

## GEAR & GARMENT

### GS RALLYE GLOVES

The GS Rallye gloves are the perfect companion for bikers who ride off-road in a range of temperatures. The back of the hand features breathable, highly abrasion-resistant textile with large knuckle protection, making them ideally suited for off-road use. The palm, crafted from kangaroo leather with targeted reinforcements, provides maximum grip and durability.

### GS RALLYE CARBON HELMET

Designed with modern safety technology and inspired by the GS models, the GS Rallye Carbon helmet features the Multi-directional Impact Protection System (MIPS). This innovative system reduces the rotational movement of the head during an impact, thereby lowering the risk of brain injuries.

### GS PUNA GORE-TEX SUIT

The robust GS Puna GORE-TEX suit is ideally suited for off-the-beaten-track adventures. The jacket's outer material is a durable blend of high-strength polyamide and cotton, with impact-prone areas reinforced by a half-tone PU coating infused with ceramic particles. The GORE-TEX Z-Liner design makes the suit both watertight and breathable.

Find out about these items and other rider equipment at your BMW Motorrad dealer or at [bmw-motorrad.com.au/en/wear/apparel.html](https://bmw-motorrad.com.au/en/wear/apparel.html)

# BMW MOTORRAD WORLD OF EXPERIENCE

## JOIN US AS WE MAKE LIFE A RIDE

At BMW Motorrad we don't just create motorcycles, we craft experiences that fuel your passion for adventure, freedom and performance. From the moment you join our world, you become part of a community that celebrates the thrill of the open road and the spirit of exploration.

Whether you're navigating rugged off-road trails or cruising along scenic coastal highways, BMW Motorrad offers an exhilarating ride for every kind of motorcyclist. Our lineup of premium motorcycles combines cutting edge technology with exceptional craftsmanship, ensuring your journey is unforgettable. Embrace the freedom to explore new destinations with confidence.

### 1. Explore the Range

Learn everything you need to know before making your purchase decision. Whether it's through one of our nationally syndicated long format test rides like Heritage Ride Days or the GS Experience, or a more bespoke test ride through your local BMW Motorrad dealership – find out everything you need to know about your next ride.

### 2. Master the Skills

Riding a BMW motorcycle is about more than getting from point A to B – it's about mastering the art of the ride. Your BMW offers unparalleled precision and power, but to truly unlock the potential of your machine, mastering the right skills is key. Whether it's high speed handling or off-road adventure there are nationally accredited training courses aimed at improving your handling.

### 3. Join the Community

Being a part of BMW Motorrad means joining a vibrant community of riders who share your passion. From weekend warriors to seasoned adventurers, our community is united by the pursuit of adventure and the love of the ride. With every event we create opportunities for you to connect, share stories and build lasting memories.
