1 All vehicle weights/mass and dimensions are approximate and subject to individual vehicle variances. Vehicles should be individually weighed and measured before fitting any accessories, towing or designing any compatible trailer/caravan or otherwise using the vehicle in any way that depends on this value.
2 Power and torque test standards differ. Ensure comparisons use same test standard.
3 Achieved in test conditions. Actual fuel consumption may vary depending on driving conditions/style, vehicle condition and options/accessories fitted. Fuel consumption data provided for comparison purposes only. Source: ADR81/02.
4 Towing capacity is subject to regulatory requirements, tow bar and vehicle design and towing equipment limitations.
5 Toyota Safety Sense+ with Pedestrian Detection is a driver assist feature only and not a substitute for safe driving practices. Driver remains responsible at all times for safe driving. Pedestrians may not be detected in certain conditions including low and harsh light, where partially obstructed from view,

where clothing or movement obscures or effects body contours, persons under 1 metre or over 2 metres tall and where carrying or pushing large objects.
6 Current navigation mapping database encompasses major capital and primary national road networks and offers some coverage in regional areas.
7 Not all devices will be compatible. Functionality varies depending on device.
8 Digital radio coverage dependent on vehicle location.
9 iPod® is a trademark of Apple, Inc. Not all devices will be compatible and functionality will vary depending on the device.
10 The Bluetooth® word mark is owned by Bluetooth SIG, Inc. Not all devices will be compatible and functionality varies depending on the device. Bluetooth video streaming not available.
