## CNH INDUSTRIAL

Iveco is part of global capital and industrial goods heavyweight, CNH Industrial. CNH Industrial also owns the prominent CASE and New Holland agricultural and construction brands, and Fiat Power Train, a leader in traditional drivetrains along with alternative fuel technologies. Together the CNH Industrial group oversees 12 brands, has 48 research and development centres worldwide and 62 plants which sees it produce products that compete in 190 national markets. The group employs over 71,000 people across the world. A close association with CNH Industrial allows Iveco to tap into the vast resources and expertise of the parent company to benefit its own range of products and services.

CAPITAL

## CNH INDUSTRIAL CAPITAL

To assist Iveco owners in their vehicle purchase, CNH Industrial Capital offers buyers tailored finance packages and the industry knowledge that comes from 35 years of experience working with Australian businesses large and small. CNH Industrial Capital 'lives and breathes' the industry it serves and has the ability to tailor financing options to best suit customer requirements. Offering flexibility with repayment structures to meet individual needs, no ongoing fees or early termination fees and dedicated regional finance managers who can visit customers onsite, CNH Industrial Capital is focused on the success of their customers.

POWERSTAR

TRACKER

ACCO

For every application, there's likely to be a high quality Iveco commercial vehicle to suit. From chassis through to locally-designed and built 600 horsepower road train prime movers, and everything in between. From short-haul to intrastate delivery, interstate B-Double duties and heavy haulage and road train work. From 2x4 as well as 4x4, 6x6 and 8x8 options, there's also an Iveco to suit a wide array of more demanding applications such as construction, refuse collection and mining exploration.

# THE BEST OF AUSTRALIA AND EUROPE

## PROUDLY MANUFACTURING IN AUSTRALIA

Part of global commercial vehicle and industrial powerhouse, CNH Industrial, Iveco has a manufacturing facility in Melbourne, where it develops and assembles selected models across ACCO, Stralis and Powerstar ranges. These locally-developed vehicles feature up to 85 per cent of Australian-sourced componentry and the facility employs over 300 staff across manufacturing, engineering, sales and marketing functions. As well as these direct jobs, Iveco has strong links to a broader supply chain of over 200 businesses, resulting in employment of hundreds more Australian manufacturing workers. Iveco's local models are complemented by a selection of fully-imported vehicles from Europe, including the award-winning Daily, the Eurocargo and Trakker. Purchasing a van or truck is a significant investment and Iveco is committed to ensuring your ownership experience is smooth and hassle-free. Our Customer Care Centre, 1800 4 IVECO is open seven days a week, 24 hours a day, 365 days a year. All Iveco vehicles are supported by a professional national Dealer Network comprising over 55 full line and P&S dealers conveniently-located outlets. For greater flexibility, value and convenience, Iveco can even tailor fixed servicing packages to suit your specific requirements through the Programmed Maintenance initiative. For added peace of mind, Iveco also offers complimentary 24/7 Roadside Assistance for the duration of the vehicle warranty period.

# DAILY

## INTERNATIONAL VAN OF THE YEAR

Iveco's new award-winning 'International Van of the Year' introduces many market-leading features including the 8-Speed 'Hi-Matic' full automatic transmission, largest volume payload and most powerful engine. With its solid steel C-Section chassis, the Daily maintains its truck-like strength while also providing a comfortable and sophisticated car-like driving environment that feels at home on all road conditions.

- 8-speed 'Hi-Matic' automatic transmission or 6-speed manual
- Choice of three turbo diesel engines ranging from 126 hp to 205 hp
- Up to 40,000 km oil service intervals
- 3.8 to 7 tonne GVM
- 3.5 tonne braked towing capacity
- Disc brakes all-round with ABS and Electronic Stability Program
- Four SRS airbags
- Van, Single Cab Chassis, Dual Cab Chassis and 4x4 options

# IVECO

# EUROCARGO

## THE TRUCK THE CITY LIKES

With its industry-leading turning circle, superior driver comfort and outstanding fuel efficiency, the Eurocargo is the perfect medium duty truck for urban delivery and more than versatile for a variety of other applications including emergency service work and public utility duties.

- Class-leading fuel efficiency and steering angle
- 12 to 18 tonne GVM
- SCR engines producing up to 280 hp and up to 950 Nm
- Choice of manual, automated or automatic transmissions
- Up to 80,000 km oil service intervals (application based)

- 4x4 options
- Redesigned cabin interior with linear dashboard design and enhanced storage options
- Availability of efficient new Euro 6 engines with 'HI-SCR' emission control system requiring no driver intervention
- Available on all Euro 6 models: Extensive standard safety equipment including driver airbag, Electronic Stability Program, Anti-slip Regulator, Advanced Emergency Braking System and Daytime Running Lamps
- Additional safety options available on all Euro 6 models: Adaptive Cruise Control and Lane Departure Warning System

**Note:** Eurocargo vehicle available in Euro 5 and Euro 6 models.

# IVECO

# ACCO

## BUILDING AND SERVICING AUSTRALIA FOR OVER 40 YEARS

Australian-manufactured in Melbourne using a high degree of local components, the ACCO is a proven performer in demanding applications such as refuse collection and agitator work, making it Australia's favoured vocational truck.

- Industry-leading cab strength
- 4x2, 6x4 and 8x4 driveline configurations
- Electronic Stability Control on 8x4 – 5.1 metre agitator variant
- ABS brakes and Active Traction Control
- GVMs from 16.5 to 30 tonnes
- Wide range of front and rear suspension options
- SCR engines with up to 340 hp and 1500 Nm
- Class-leading tare weight
- Allison 6-speed automatic transmission

# IVECO

# STRALIS

## POWER, COMFORT AND VERSATILITY

The Stralis is one of the most comfortable and versatile trucks in the Iveco product line-up and is available in 4x2, 6x2, 6x4 and 8x4 configurations in a variety of wheelbases across a selection of rigid and prime mover variants – there are 13 main models to choose from. The latest enhancement to the range is the Stralis AS-L Series II prime mover which boasts 560 hp from an engine that has been developed to suit demanding Australian conditions. Stralis models are widely used for single trailer and B-Double work as well as in hooklift, tanker and general haulage applications.

- 13 main models available and hundreds of specifications options
- 3 cabin options
- GVM / GCM from 17.1 / 31 tonnes to 36 / 90 tonnes
- SCR engines ranging from 360 hp to 560 hp and 2300 Nm
- 12 or 16-speed ZF Eurotronic II transmission
- Superior driver comfort and ergonomics
- Wide range of safety features
- Market-leading 1,000,000 km / 5-year engine warranty on Stralis AS-L model\*

\* Terms and conditions apply.

# IVECO

# POWERSTAR 6400 / 7200

## BUILT TOUGH FOR AUSTRALIA

Designed, engineered and manufactured in Australia, the Powerstar is purpose-built for our country's unique operating conditions. The Powerstar is available in a choice of European or American drivelines providing the proven strength and durability of an American truck with the comfort, sophistication, cabin space and driveability of a European heavy vehicle. This provides an excellent platform for tipper and dog application as well as single trailer and 26m B-Double work.

- Choice of EGR or SCR engines ranging from 450 hp and 2200 Nm to 560 hp and 2300 Nm
- 12 and 16-speed ZF Eurotronic II or Roadranger 18-speed manual transmissions
- GVM / GCM from 24.5 / 60 tonnes to 120 tonnes GCM
- Multiple wheelbase and axle ratio options
- Comfortable European-style cabin available in 'Day' or 'Sleeper'

# IVECO

# POWERSTAR 7800

## HEAVY DUTY ROAD TRAIN FOR AUSTRALIA

Offering an all-American driveline, the 7800 is a heavy duty workhorse which can haul the largest loads right up to 140 tonnes. Like other Powerstar models, the 7800 combines the benefits of a conventional truck with the added cabin space, refinement and road manners of a European truck. The 7800 was developed in Australia and is manufactured locally to suit tough and demanding remote area applications including road train livestock transportation and heavy haulage work.

- Cummins EGR ISX or Signature 15-litre engines for output of up to 600 hp and 2770 Nm
- Spacious 56 inch sleeper cab with fully integrated high roof
- Industry-leading wheel cut angle for superior manoeuvrability
- Rear heavy-duty Iveco cantilever suspension
- Australian-developed, engineered and manufactured

# IVECO

# TRAKKER

## AT HOME IN EXTREME TERRAIN

The Trakker is a rugged off-road truck, purpose-built for demanding conditions and capable of withstanding the toughest off-road work. The Trakker has proven its reliability and durability, successfully competing in the world famous Dakar rally over many years and is ideal for applications including mining and exploration, water haulage, forestry and off-road tipper work.

- All-wheel-drive 4x4 and 6x6 driveline
- Differential locks and hub reduction on all axles
- Up to 450 hp SCR engine
- ZF Eurotronic II 16-speed transmission
- GVM / GCM of up to 33 and 50 tonnes
- Heavy-duty Iveco cantilever suspension

# IVECO

# ASTRA

## STELLAR 8X8 OFF-ROAD PERFORMER

The Astra 8x8 is the largest and most heavy duty off-road vehicle in the Iveco product line-up, yet can still be driven on the road. Featuring huge ground clearance, a full-time 8x8 system with lockable diffs on all axles and a choice of two powerful engine options, the Astra is a true workhorse that excels when road conditions deteriorate.

- All-wheel-drive 8x8 with differential locks and hub reduction on all axles
- Iveco front parabolic suspension, standard stabiliser bar on 1st and 4th axles, optional on 2nd and 3rd
- Iveco rear parabolic cantilever suspension
- GVM / GCM of 48 tonnes / 70 tonnes
- Choice of two Cursor SCR engines with 480 hp / 2300 Nm and 520 hp / 2400 Nm
- Standard ZF Eurotronic II 16-speed automated transmission or optional Allison 4700 full auto
