

Tundra

Please Note: information is accurate as at September 2023.

Specification and imagery are indicative and should only be used as a guide. Vehicle and accessory specification, features, colour and trim may differ at the time of vehicle delivery.

Ready, set, Tundra.

Congratulations on taking the first step towards participating in the exclusive Tundra Insider Program. You have the opportunity to become one of the first people in Australia to drive the Tundra – one of Toyota Australia's most powerful vehicles. If selected, you'll be involved in a development project – the first of its type undertaken by Toyota Australia.

The Tundra Insider Program is facilitated exclusively through a Toyota Finance Full-Service Lease.¹ Your lease agreement will run for a total of 18 months. The Insider Program runs for a 12-month period only. Selection for this development project and lease will depend on whether you satisfy the lending criteria of a Toyota Finance Full-Service Lease.

To re-engineer for right-hand drive and build the Tundra to Toyota's exacting standards, we have partnered with Walkinshaw Automotive Group, a global leader in the design, engineering, development and small-scale manufacture of performance vehicles.

To participate in the Tundra Insider Program, we request that the following guidelines are followed:

Vehicle Usage:

Participants are required to check in with Toyota Motor Corporation Australia (TMCA) during the 4th and 8th weeks of their Tundra lease period.

Service Requirements:

- Participants must provide a minimum of 2 weeks' notice to book routine vehicle inspections
- During the 12-month Insider Program, your Tundra will require more frequent servicing:
 - a First service: 1 month or 1,000 kilometres, whichever comes first.
 - b Subsequent services: Every 3 months or 5,000 kilometres, whichever comes first.
 - c If travel is greater than 30,000kms in 6 months, service interval reverts to 6 months/10,000kms.

When using your Tundra outside regular day-to-day travel, we would like you to consider documenting the experience – for example, sharing photos of special trips and/or particular environments (excluding personal images to respect privacy), while noting the distance covered and whether towing was involved.

After successfully completing the 12-month Insider Program, participants may be able to choose from one of the options below:

- Upgrade to a higher-grade Tundra for an additional fee or another Tundra Limited grade. This will also be available through another Toyota Finance Full-Service Lease¹
- Hand back your Tundra Limited, finishing the Full-Service Lease agreement without incurring a termination fee
- Continue the current Full-Service Lease until the end of term (remaining 6 months)

A dealer will contact you 3 months before the Insider Program ends to discuss these options and your preferred selection.

The Toyota Finance Full-Service Lease¹ advantage

• • • • •

A Toyota Finance Full-Service Lease¹ is the all-in-one way to drive a Tundra.

With running costs conveniently bundled together in one simple ongoing monthly payment, and no upfront costs, a Full-Service Lease makes budgeting for your new Tundra easy.

Hassle-free

All-in-one bundle, including servicing, maintenance costs, quality insurance cover and Roadside Assistance, to provide you peace of mind.

Simple

One monthly payment. No upfront costs.

The new car feeling

A new way to get into a Tundra. Make it yours with Toyota Genuine Accessories^{2,3} (optional inclusion).

What's included?

- Vehicle registration and Compulsory Third Party (CTP) Insurance
- Service and Maintenance
- Tyre replacements
- Comprehensive Insurance⁴ (MVI)
- Roadside Assistance
- Fuel Card⁵
- Toyota Genuine Accessories^{2,3} (optional)

The power and the glory

Tundra drives on-road presence and performance to new levels, drawing attention and turning heads wherever it goes.

The Tundra's 3.5L V6 twin-turbo engine with 1 Motor Hybrid produces 326kW of power and 790Nm of torque, all harnessed by a 10-speed automatic transmission for smooth acceleration and rock solid performance on the road. A 1 Motor Hybrid is a powertrain technology where an additional electric motor, which typically serves to improve the power and performance of a vehicle, works in conjunction with the internal combustion engine.

The box section chassis delivers impressive body rigidity with reduced weight and is supported by multi-link rear suspension for improved ride and towing stability.

Everything about Tundra is designed and built to exceed your everyday expectations.

Embrace the wide open space

.....

Inside Tundra, you'll find yourself in a generously spaced cabin surrounded by the latest technology.

The 14" multimedia display features Android Auto™,⁶ and wireless Apple CarPlay®.⁶ You are supported by the 12-speaker premium JBL®⁷ audio system plus other functions including navigation (accessible through Apple CarPlay® and Android Auto™,⁶ only)

When on the move the 12.3" Multi Information Display (MID) delivers essential performance data and travel information that can be quickly configured to suit your needs.

The seats are supportively contoured, providing both durability and comfort for long or short trips, on or off the road.

A 12.3" Multi Information Display
B Digital rear-view mirror
C Power vertical rear window

D Dual-zone climate control
E 10-speed automatic transmission
F Part-time 4-Wheel Drive, electronic 2-speed transfer case

G Wireless charger

A tower of towing power

.....

When it comes to shouldering a heavy load, the Tundra is more than ready for the job with a maximum braked towing capacity of 4.5 tonnes.⁸

Tundra comes fitted with a 3.5 tonne integrated Towing Kit as standard allowing you to safely tow large loads with ease.

When towing, you'll also have the added on-road confidence that comes from a Towing Brake Controller and Trailer Back-up Guide.

*A 1 Motor Hybrid is a powertrain technology where an additional electric motor, which typically serves to improve the power and performance of a vehicle, works in conjunction with the internal combustion engine.

Big bold colours

Tundra makes a statement wherever it goes, with a range of colours made for adventure that look ready for action in town or in the outdoors.

As a part of the Tundra Insider Program you will be able to select your top four colour preference for your Tundra.

COLOUR AND TRIM GUIDE									
Grade	Interior Seat Trim	Glacier White	Frosted White	Silver Storm	Graphite	Eclipse Black	Emotional Red	Vintage Brown	Jungle Khaki
Limited	Black accented leather (EA21)	•	•	•	•	•	•	•	•

○ Glacier White 040

○ Frosted White 089

● Silver Storm 1J9

● Graphite 1G3

● Eclipse Black 218

● Emotional Red 3U5

● Vintage Brown 4X4

● Jungle Khaki 6X3

● Saturn Blue 8X8

Accessories to personalise your Tundra

As part of the Tundra Insider Program, your vehicle will come fitted with these items as standard inclusions:

- Carpet Floor Mats
- 3.5T Tongue and Tow Ball⁸

To make your Tundra do more and go further you also have the option of adding these other Toyota Genuine Accessories:^{2,3}

- Tailgate Insert Badge
- Black Emblem Overlay
- Door Edge Guard
- Dash Cam
- Cargo Net
- Swing Out Bed Storage
- All-weather Floor Mats
- Camera Mount
- Mini Tie Down with Hook
- Locking Wheel Nuts
- First Aid Kit
- Door Handle Protection Film

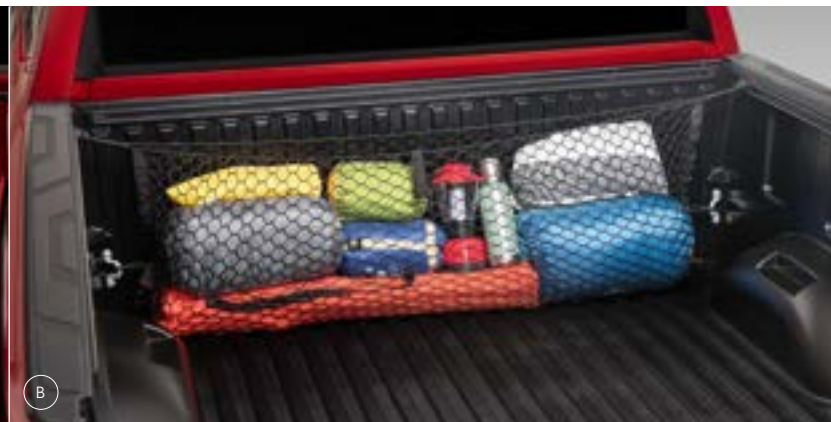

Fitment of any third-party accessories and parts, or any other modifications will not be allowed during the 12-month duration of the Tundra Insider Program, only original equipment (OE) accessories approved by TMCA and TFA before installation. After the 12-month Insider Program, fitment of any third-party accessories and parts, or any other modifications before the end of the 18-month Full-Service Lease term, will need to be discussed with Toyota Finance.

Anderson Plug kits in grey and red are available upon request and must be supplied and fitted by an approved dealership.
