Fun motoring for life
An MG is about so much more than just the A to B. Driving one should be filled with style, panache, verve and, most importantly, fun. Every MG is designed around this driving principle and the ZS is no exception. Whether you’re out on a long haul or popping off for a short hop – you’ll find this SUV practical, comfortable and uniquely flexible. Whatever the journey, the MG ZS allows you to do it your way.
British style from every angle
There's nothing middle of the road about our clean lines and stylish details. Signature London-Eye headlights, elegant front grille and gleaming alloys ensure you get noticed in slick city centres and quiet country towns.
Famous badge
There's never been a more iconic octagon. From the moment in 1924 England that ‘Morris Garages’ became MG, it leapt into the hearts and minds of car lovers the world over.
The great indoors
360-degree air vents, satin-chrome finishes and a soft-touch dashboard add a sense of premium indulgence. Crown this with the Panoramic Stargazer Sunroof and the feel turns positively palatial.

Upholstery and trim
Premium comes as standard with beautifully soft materials and a carbon-look surround on the touchscreen, creating a luxurious European-designed interior.
Sound engineering
The Yamaha 3D Sound Field allows you to direct audio to any point in the car. An 8” touch screen integrates your iPhone perfectly with Apple CarPlay™.
Big and clever

It’s roomy – with an extra-wide cabin, ample legroom, indulgent rear space and fully foldable back seats. But it’s also filled with clever storage ideas like a split-level boot with a lot more space than meets the eye.
Panoramic Stargazer

The stunning Panoramic Stargazer Sunroof helps you really experience your surroundings and makes the interior feel even roomier. It’s one of the largest – if not the largest – small SUV panoramic opening sunroofs.
